ADJOURN

Planning and Zoning Commission

Meeting Minutes

January 16, 2023

P & Z Meeting:

The Planning and Zoning Commission met on Monday January 16, 2023, at 5:45 p.m. in Council Chambers located at 200 South Main, Webb City, Missouri.

ROLL CALL:

The following members answered roll call:

P Rick Utter

P Ryan Evitts

P Mike Moore

P Clarence Greeno

P Kelly Braeckel

P Melissa Annis

P Chris Taylor

There being 7 members present and 7 members representing a quorum. Chairman, Rick Utter declared the public hearing session officially opened.

City staff present:

P City Attorney Troy Salchow

P City Administrator Carl Francis

P Permits Clerk Tina Knight

MINUTE APPROVAL:

Chair Utter called the meeting to order and asked if there were any corrections or additions to the meeting minutes from the previous session. Mr. Greeno made corrections to clerical errors, quotations and spellings.

Mr. Taylor made a motion to approve the amended minutes with the corrections. Melissa Annis seconded. All were in favor, and none opposed. Motion passed.

PUBLIC HEARING:

First applicant Amiel Overman, 831 Rustic Road Joplin, MO 64804 requesting rezone change to C-2, commercial. Mr. Overman was unable to attend. Katt Karr was present on his behalf. At issue is approximately 13 acres directly east of Sleep Inn Hotel and west of railroad tracks. City manager Carl Francis stated this was a win for the city, in that the surrounding property is already commercial. Mr. Francis said the city owned some property that abutted Mr. Overman's, and the city sold Mr. Overman an easement for a road access to South East Street.

No one was present to speak in opposition to the request. Mr. Utter entertained a motion.

Mike Moore made a motion to approve the rezone request as presented. Melissa Annis seconded.

All were in favor, and none opposed. Motion passed unanimously.

Second public hearing: Paul Taylor (Apple Healthcare) is requesting a zoning change from R-1 to C-2 at 28 South Webb. Mr. Taylor was present to speak in favor of the request. He stated that the property was approved for a special use permit in the previous two sessions to operate as an outdoor wedding venue. Mr. Taylor thinks a rezone would make a better fit due to other events that he is planning, including short term rentals. He added, "Not like a hotel though."

No one was present to speak in opposition to his request.

Mr. Utter entertained a motion. Kelly Braeckel made motion to approve request as presented. Ryan Evitts seconded. All were in favor, and none opposed. Motion passed.

Third applicant presented an appeal of a prior denial of her request for administrative approval of short-term rentals in her house. Cassa O'Cull, 1811 Boyer Place, and her husband were both present to speak in favor of the request. Also present were neighbors that abutted their property:

Paige, Diana & Ty, 1799 Boyer Place

Williams, Kerri & Ryan, 1787 Boyer Place

Tanner, Hannah & William, 1798 Boyer Place

Mrs. O’Cull said the Jackson family at 1798 Boyer Place were in favor but unable to attend.

James Tichenor, 1834 Boyer Place, was present to speak in opposition. He stated that the Boyer Addition was a residential district and he wanted it to stay that way. He also included the covenants and restrictions prevented commercial activity. City attorney Salchow let Mr. Tichenor know that the HOAA of Boyer Addition would be the one to enforce that, not the city.

Mr. Utter asked for recommendation or statement. Clarence Greeno motioned that the administrative denial be upheld, and the appeal to be denied. Ryan Evitts seconded. Motion was denied unanimously.

No new or other Business

Mr. Utter adjourned the meeting at 6:46 pm.

Planning and Zoning Chair

Date

Administrator's Report 01/23/23

The Parks Department has been busy preparing the new pre-K and Kindergarten soccer field that will be located where the old rodeo grounds were at. We have placed a small gravel parking lot alongside to hopefully relieve some of the walking for the little ones across the road and main parking area. We hope to begin work on the large parking lot to the east of the main fields this spring.

Park staff along with public works will be removing the old road area on the north side of Paradise Lake and adding it to the walking trail. That area has been barricade off since the construction of Dawson Drive.

Mayor Ragsdale along with city staff hosted the Webb City Chamber State of the City address at Granny Shaffer's last Tuesday. We would like to thank the council members who came out and the others from throughout the community. It was reported that our total construction was reported at \$28,600,437 which is in line with previous years. The only real slowdown noticed this past year was new housing starts in R-1. We had 27 new home permits issued last year where we have averaged 50-80 for the past many years. R-3 construction was up with the addition of the new Redwood Apartments complex to the south of Walmart. There was a significant increase in home remodel work with over \$9,000,000 in costs permits being issued.

Public Works hosted the Department Head plan review for the new R-3 project planned along North East Street, north of the new Ghetto Tacos, behind Kyle Hickam's new building. The plan was approved with some minor changes to Sanitary Sewer lines and other utilities. The project will extend Carson Way north to Aylor and include more than 40 housing units when complete.

2022 was not a good year regarding our Workers Compensation modification rating. City staff have met with our insurance carrier and it is anticipated we could see a 20% plus increase in our WC rates this year. Risk specialists from our carrier will be meeting in coming weeks with members of the City Employee Safety Committee to discuss any needs or policy changes needed that could help reduce employee related injuries.

Staff have placed the 3% increase in retail sales tax for marijuana ballot question on the upcoming council agenda. This would only apply to recreational sales of the product should a dispensary be built within the city and only after a majority of voters approve it in the April Ballot. Has no effect if the Council should decide to put the ban on the 2024 Presidential election as the amendment requires.

The Missouri Governor's Office has notified Webb City that we did not get accepted in our bid for the 50-50% grant funding for the expansion of East Road. We did receive the funding for adding the sidewalk.

Previous Meetings

2022 Polar Bear Express by all accounts was a big success this year. City staff worked tirelessly to make this year the best yet and a special thanks to Erin and Bryan along with the Southwest Railroad Association for their dedication to the program. Also a thank you goes out to the council for approving the funding of the track repairs and the contractor for completing the work prior to the start of the event.

Water pressure here in Webb City gave staff quite the scare the Friday before Christmas. It was reported around 10:00am that several customers were suddenly experiencing low pressure. With the extremely low temperatures we were having at that time we first thought a large break or leak of some sort. City staff were dispatched throughout the city to search but no leak was found and with the issue being nearly city wide it would have had to be easy to locate a leak that big. Public work crews were able to determine the problem which was a frozen sensor in the tower that was malfunctioning. Evidently it was signaling to the wells that the tower was full when it was not and the wells were not coming on. City staff did a great job finding the problem and making sure our pressure did not fall below the level that would have required a boil order and the crisis was averted.

The **cold weather and icy streets caused our trash service to pull their trucks** in on Friday the 23rd just before Christmas. With it being the holiday weekend we started to receive complaints of trash accumulating and with the high winds the bags of wrapping paper were starting to scramble. Their crews went into several neighborhoods and helped by picking up the trash that had spread by hand and making several passes to catch people up that had been missed. City Hall received calls, from some who had complained, thanking the trash service for their efforts.

The idea of placing a **sunshade of some type over the Amphitheater** is still being discussed. We have some ideas that would include a vinyl material covering that would be retractable when not in use. This would significantly extend the life of the material. We hope to have something to present to council in the next month for their consideration.

Community Development has received recognition from the Missouri Historic Preservation Committee for their successful completion of the tenth year of our Webb City Historic District participation in the Missouri Certified Local Government Program.

Public Works has reported that the **annual leaf pickup project is complete**. We had some delays with the weather and equipment issues but the crews worked hard to get everyone picked up. We will continue to watch for leaves being left in the roadway as they can cause real problems when the spring rains arrive.

Center Creek 201 Waste Water Board has been working to repair the UV system now that it is out of service during the winter. The board had looked at several options from complete replacement of the building and equipment to repairing the current equipment. Our staff were able to locate parts from the original vendor and the decision was made to replace the equipment required to be able to assure both sides will be functioning when it is turned back on next spring. The 201 Board approved the purchase of \$30,000 in new equipment.

After having two recent **Short term Rental requests** that were denied administratively the application for one to be located at 917 S. Jefferson has been approved with only two of the neighboring property owners opposing.

Staff were notified that **MODOT has approved our application for sidewalk improvements along the east side of East Street from MO171 to Daugherty** and some along Daugherty. This grant will fund 75% of the design and construction costs as was approved by council. More details will be coming forward soon on contracts and costs as we move forward with this grant and also the Governors Cost share grant application for widening of East street and a new roundabout at Daugherty. We should be receiving word on that project soon. As reported earlier currently the budget includes two major projects which council can approve the use of the American Recovery Plan funds for. One is the retention project along MO 171 and the other would be the East Street widening and roundabout improvement plan. Currently we have applied for grant funding that would assist at 50% of the cost for East Street and 80% of the sidewalk improvement plan.

Our engineer reports that **geotechnical field work was completed on 11/1/2022 in reference to the proposed storm water retention project** along Mo 171 at Powell Drive. Lab testing begins 11/2/2022. Rain delayed start of Geotech field work, but will not impact overall project schedule. Survey set to begin in mid-November. **(update, field work complete and design work begins Jan 9th)**

Plans have been received for the development that is to locate on the south east corner of Daugherty and East Street. Public Works will be working to schedule the required department head meeting to look over all utilities and project requirements. Building permits will be issued as soon as all compliance is completed.

City staff have been busy working on a new web site. The current site has had some issues and made it very difficult to make changes. We are wanting to incorporate some additional features such as online bill pay and permit applications. It will still be located at the same domain of www.webbcitymo.org and we hope to announce the unveiling very soon.

2023 Dates to remember upcoming;

Tuesday, March 14 – Business After Hours @ Just A Taste, 5:30 p.m.

Friday, March 31 – Fifth Friday Coffee @ WC CARES Building, 7:30 a.m.

**COMMITTEE OF
THE WHOLE**

Mayor Lynn Ragsdale set the next Council Meeting for Monday, January 23, 2023 at 5:30 p.m. in the Council Chambers.

Mayor comments

Mayor Ragsdale Thanked the SW Railroad Association, the Parks Department, Erin Turner, and all the volunteers for the wonderful, wonderful job they did for the Polar Bear Express and he is looking forward to next year's event. In addition Councilwoman Darby thanked Rick Roth and his crew for taking her call and fixing a leak that was reported in her neighborhood.

ADJOURN

Mayor Lynn Ragsdale adjourn the council meeting at 6:00 p.m.

Lynn Ragsdale, Mayor and Presiding Officer

Attest:

Kimberley E. DeMoss, City Clerk

Webb City Park Board Meeting
Wednesday, October 12, 2022

Members Present: Chris Taylor, Jessica Taylor, Nancy Spaeth, Jan Waldie, Sheila Harper

Staff Present: Bryan Waggoner

Visitors:None

Meeting opened by Chris Taylor at 6:07 with the pledge of allegiance.

Minutes: Upon motion by Chris Taylor to approve minutes of June 8th, 2022 minutes seconded by Jan Waldie. Unanimously approved.

Director's Report:

- Soccer and Flag football seasons are almost over. Number of participants has increased, but there is a lack of volunteers. Parks and Rec may offer free registration for those who volunteer in spring; or implement a clinic style vs. game with high school and college volunteers. Discussion was had.
- Due to a severe drought this summer, no grass was grown on the rodeo grounds preventing soccer fields from being established. However, the lights and parking lot are ready and a fence has been added to the budget.
- Polar Express Ride tickets will go on sale online November 5th and at City Hall November 7th. Cost per ticket is \$2. Mowing schedule and light installation is ahead of schedule.
- Bryan and staff have been checking lights for the drive through portion of Polar Express and a bucket truck will be rented for installations.
- 3-4 new light displays have been added to the drive through portion to enhance viewer enjoyment.
- Due to budget constraints, Bryan was not able to purchase as many lights as he would like. Jan Waldie offered to donate from her personal collection.
- Bryan stated he would like to begin work on the front half of the park; discussion was had regarding what that could look like.
- There have been complaints about the park bathrooms not being cleaned on the weekend. Discussion was had.
- New members are still needed for the parks and rec board. Jan Waldie nominated Elizabeth Ladd Johnson. Sheila Harper nominated Krystal Harper.

Upon motion made by Sheila Harper, Chris Taylor was nominated for President. Seconded by Jessica Taylor. Approved unanimously.

Upon motion made by Sheila Harper, Jessica Taylor was nominated for Secretary. Seconded by Jan Waldie. Approved Unanimously.

Upon motion made to end the meeting by Chris Taylor, Jan Waldie seconded. The meeting was adjourned at 6:43.

Jessica Taylor
Recording Secretary

AN ORDINANCE IMPOSING A SALES TAX AT A RATE OF THREE PERCENT ON ALL TANGIBLE PERSONAL PROPERTY RETAIL SALES OF ADULT USE MARIJUANA SOLD WITHIN THE CITY OF WEBB CITY MISSOURI, PURSUANT TO ARTICLE XIV, SECTION 2.6(5) OF THE MISSOURI CONSTITUTION SUBJECT TO THE APPROVAL BY THE VOTERS OF THE CITY AT THE GENERAL MUNICIPAL ELECTION TO BE HELD APRIL 4, 2023; DESIGNATING THE FORM OF BALLOT; AND DIRECTING THE CITY CLERK TO PROVIDE NOTICE OF SAID ELECTION.

WHEREAS, on November 8, 2022, the electors of the State of Missouri approved Amendment 3 to the Missouri Constitution enacting Section 2 of Article XIV of the Missouri Constitution effective December 8, 2022; and

WHEREAS, the newly enacted Article XIV, section 2.6(5) of the Missouri Constitution authorizes the City of Webb City Missouri to impose, by ordinance, an additional sales tax in amount not to exceed three percent on all tangible personal property retail sales of non-medical adult use marijuana sold in such political subdivision subject to approval by voters of the City of Webb City Missouri; and

WHEREAS, the City Council finds that it is in the best interests of the citizens of the City of Webb City Missouri to impose a sales tax of three percent on all tangible personal property retail sales of non-medical adult use marijuana sold in the City of Webb City, Missouri and to submit the same to the voters of the City for approval by a majority of those voting at the general municipal election to be held on April 4, 2023.

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF WEBB CITY MISSOURI AS FOLLOWS:

SECTION I – ADULT USE MARIJUANA SALES TAX. A sales tax at the rate of three percent on all tangible personal property retail sales of adult use marijuana sold in the City of Webb City Missouri, as authorized by Article XIV, section 2.6(5) of the Missouri Constitution, is hereby imposed. The tax imposed hereunder shall be in addition to any and all other sales taxes allowed by law.

SECTION II – EFFECTIVE DATE. The sales tax imposed by this Ordinance shall not be effective unless approved by a majority of the votes cast by the qualified voters voting thereon at the General Municipal Election to be held on April 4, 2023, at which election a proposal to authorize the City Council of the City of Webb City Missouri, to impose the tax herein provided for shall be submitted to the voters of the City of Webb City.

SECTION III – FORM OF BALLOT. The ballot to be used in such election shall contain the following question:

Question 1

Shall the City of Webb City Missouri, impose a sales tax of three percent (3%) on all retail sales of adult “non-medicinal” use marijuana sold in the City of Webb City Missouri?

Yes

No

SECTION IV – NOTICE OF ELECTION. The City Clerk is hereby directed to notify the Clerk of the County of Jasper County, Missouri, of the enactment of this Ordinance no later than 5:00 p.m. on Tuesday, January 24, 2023 in accordance with the Comprehensive Election Act, Chapter 115 of the Revised Statutes of Missouri, as amended.

SECTION V: This ordinance is to be considered an emergency ordinance under the terms of the municipal code of the City of Webb City.

SECTION VI: This ordinance shall take effect and be in force from and after its passage and approval.

PASSED AND APPROVED THIS _____ DAY OF January, 2023.

Lynn Ragsdale Mayor

ATTEST:

Kim DeMoss, City Clerk

AN ORDINANCE AMENDING THE ZONING MAP FOR THE CITY OF WEBB CITY, MISSOURI, BY RECLASSIFYING CERTAIN AREAS WITHIN THE CITY LIMITS FROM I-2 LIGHT INDUSTRIAL DISTRICT TO C-2 GENERAL COMMERCIAL DISTRICT (AMIEL OVERMAN, 831 RUSTIC LANE, JOPLIN, MISSOURI 64801).

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF WEBB CITY, MISSOURI, AS FOLLOWS:

SECTION 1. Notice of public hearing having been properly published and recommendation for reclassification having been given after review by the Webb City Planning and Zoning Commission, the Zoning Ordinance for City of Webb City, Missouri, is hereby amended by reclassifying the following described property from I-2 Light Industrial District to C-2 General Commercial District; to wit:

LOCATION OF SUBJECT PROPERTY: East of East Road, North of Highway 71 and West of Railroad right-of-way in WEBB CITY, MISSOURI 64870

LEGAL DESCRIPTION: All that part of the Southwest Quarter (SW 1/4) of the Southwest Quarter (SW 1/4) of Section 17, Township 28, Range 32, being part of Miscellaneous Lot 7 in Section 17, Township 28, Range 32, in the City of Webb City, Jasper County, Missouri, lying North of the North right-of-way of Highway 71 and West of the railroad right-of-way, more particularly described as commencing at the Northeast corner of said Southwest Quarter (SW 1/4) of the Southwest Quarter (SW 1/4), thence South 88°43'30" West along the North line of said Quarter-Quarter, 767.40 feet to the West right-of-way of the railroad and the point of beginning, thence South 88°43'30" West along said line 554.87 feet to the Northwest corner of said Quarter-Quarter, thence South 0°01' West along the West line of said Quarter-Quarter, 1020.59 feet to the North right-of-way of Highway 71, thence North 89°09'22" East along said right-of-way 550.07 feet to the West right-of-way of the railroad, thence along said right-of-way on a chord of North 0°16'49" East 1024.85 feet to the point of beginning, EXCEPT any part taken or deeded for Highway, railroad, and road right-of-way; also, being subject to a 30' ingress & egress easement across the East side thereof.

and

All that part of the Southwest Quarter (SWI/4) of the Southwest Quarter (SWI/4) of Section 17, Township 28, Range 32, being part of Miscellaneous lot 7 in Section 17, Township 28, Range 32, in the City of Webb City, Jasper County, Missouri, lying North of the North right-of-way of Highway 71 and West of the railroad right-of-way, more particularly described as commencing at the Northeast corner of said Southwest Quarter (SWI/4) of the Southwest Quarter (SWI/4); thence South 88°43'30" West along the North line of said Quarter-Quarter, 767.40 feet to the West right-of-way of the railroad and the Point of Beginning; thence South 88°43'30" West along said line 554.87 feet to the Northwest corner of said Quarter-Quarter; thence South 0°01' West along the West line of said Quarter-Quarter, 1020.59 feet to the North right-of-way of Highway 71; thence North 89°09'22" East along said right-of-way 550.07 feet to the West right-of-way of the railroad; thence along said right-of-way on a chord of North 0°16'49" East 1024.85 feet to the point of beginning.

SECTION 2. The City Clerk is hereby authorized and directed to enter such reclassification upon the zoning map of the City of Webb City, Missouri.

SECTION 3. This Ordinance shall be in full force and effect from and after its date of passage.

Patrick K. McKenna

Director, Missouri Department of Transportation
105 W. Capitol Avenue
Jefferson City, MO 65102

January 24, 2023

Subject: US Bicycle Route 51 designation from Arkansas through Joplin to Springfield

Director McKenna,

The City of Webb City extends its support for the designation of the proposed U.S. Bicycle Route 51 (USBR51) through our community. Further, we understand that this will follow the already designated USBR66.

We recognize that bicycle tourism is a growing niche within our regional tourism markets. Nation-wide bicycle tourism contributes \$83 billion a year to the economies of bike-friendly communities. As a community, we stand to benefit from this opportunity, plus the added health and environmental-related benefits of encouraging bicycle travel in our region.

The U.S. Bicycle Route System is a bicycle-based transportation system sponsored by the American Association of State Highway and Transportation Officials (AASHTO). The project creates publicly accessible bicycle travel routes across the country. All routes are designated through a state- and federal-level process, to build broad support for bicycling and bicycle travel in communities across the country.

The City of Webb City lies along the proposed USBR51 system that one day will stretch from New Orleans, Louisiana, to Des Moines, Iowa. Access through our community will afford cyclist access to points of interest, lodging, dining, and retail necessary to support extended and day-long journeys. In a city of 13,031 residents, the proposed USBR51 will additionally provide benefits to our residents and businesses.

We endorse having the route mapped and marked as an official U.S. Bike Route, promoting bicycle tourism in our area. Therefore, the City of Webb City expresses its support for USBR51 and requests that the appropriate officials nominate the route for AASHTO designation as soon as possible.

Sincerely,

Carl Francis
City Administrator

Council Report

City of Webb City

**Grant Application
Speed/HMV Enforcement,
Wolfpacks & Equipment
From MoDOT
January 23, 2023**

SUBJECT:

The police department is seeking the Council's approval to apply for grant funding from the Missouri Department of Transportation – Highway Safety Division.

BACKGROUND:

Over the past eighteen years the police department has received \$583,091 in grants from the Division of Highway Safety for DWI Saturation Patrols (Wolfpacks), Hazardous Moving Violation Enforcement (HMV), and enforcement equipment.

This year the police department is applying for funds to conduct DWI Wolfpacks, Speed Enforcement, and Hazardous Moving Violation (HMV) Enforcement, along with funds to purchase equipment to be used during these enforcement activities. The police department may be required to provide up to 50% matching funds. These matching funds would be included in the police department's fiscal year 2023-24 budget.

RECOMMENDATION:

Allow the police department to apply for grant funding from the Missouri Department of Transportation by signing the Council Authorization form.

FISCAL IMPACT:

NONE: until a grant award is made by MoDOT and then accepted by the Council.

CITY COUNCIL AUTHORIZATION

On _____, 20__ the Council of _____
_____ held a meeting and discussed the City's participation
in Missouri's Highway Safety Program.

It is agreed by the Council that the City of _____
will participate in Missouri's Highway Safety Program.

It is further agreed by the Council that the Chief of Police will investigate the
financial assistance available under the Missouri Highway Safety Program for
Traffic Enforcement and report back to the Council his/her recommendations.
When funding through the Highway Safety Division is no longer available, the
local government entity agrees to make a dedicated attempt to continue support
for this traffic safety effort.

**Purchase In-Car
Video Cameras
Police Department
January 23, 2023**

SUBJECT:

Allow the police department to purchase six in-car camera systems using Missouri Department of Transportation (MoDOT) grant funds.

BACKGROUND:

In March 2022 I applied for grant funding through MoDOT to purchase six in-car camera systems at an estimated cost of \$27,180.00.

In October 2022 I received notification that we had been awarded \$27,180.00 from MoDOT to purchase six in-car camera systems. I sought quotes from our current body camera vendor, Digital Ally. Digital Ally's quotes for an in-car camera system came in at \$4,499.00 per system. Shipping for the six camera systems will cost \$180.00. The total cost for six in-car camera systems plus shipping will be \$27,174.00.

RECOMMENDATION:

Allow the police department to purchase three in-car camera systems from Digital Ally using Missouri Department of Transportation (MoDOT) grant funds. We chose Digital Ally because we have outfitted our Patrol Officers with Digital Ally body cameras and already have the Digital Ally software. We already have Digital Ally in-car camera systems in six of our police patrol vehicles. Digital Ally is a sole source vendor.

FISCAL IMPACT:

NONE: The MoDOT grant of \$27,180.00 will cover the rest of the expenses for this purchase.

Color: Elite Blue/Red

- MAKE IT HOME SAFE - The Guardian Angel Elite series was designed with your safety in mind. With 360 degrees of lighting, the V3 Elite offers superior independent light activation with the front, rear, top, and work lights. Improved battery indicator lights ensure you'll always know when your device is running low.
- ALWAYS VISIBLE – With a total of 18 high output LED's rated up to 500 lumens, the Guardian Angel offers up to 5 miles of visibility. Don't rely on other light sources, with a Guardian Angel – you are your own light source. Able to broadcast your location to everyone and beyond with the 4 brightness settings and top facing strobe.
- INDEPENDENT OPERATION – Improved button designs allow for easier access to the front, rear, emergency, work lights and top facing strobe, completely independently. The V3 elite gives you much more control over the displacement and functions of each side
- DURABLE CONSTRUCTION – Despite weighing only 3 ounces, the Guardian Angel's polycarbonate and ABS shell is IP68 rated for shock and crush resistance, as well as all around weather resistance. Rain, snow, or shine the Guardian Angel will maintain its' ability to safely illuminate your location. With brand new side facing USB-C charging capability, a full charge can be achieved in as little as 2 hours.
- UNIVERSAL MOUNTING - The Guardian Angel comes standard with a neodymium rare earth magnet mount and also features 4 screw mounts for increased security. You can attach this mount underneath your clothing or purchase the many available mounts for your shirt epaulet, bike mount, or windshield mount. The included magnet also works to attach to the hood of your vehicle for certain situations.

**LLEBG Grant
Equipment Purchase
Police Department
January 23, 2023**

SUBJECT:

The police department is asking the Council to accept \$9,799.79 in grant funding awarded from the Missouri Department of Public Safety (MoDPS) – Local Law Enforcement Block Grant (LLEBG). This is a “no-match” grant. The award should fully fund the purchase of thirteen ballistic helmets.

The police department is asking the Council to allow the police department to purchase the awarded equipment by following the City’s procurement policy.

BACKGROUND:

In November 2022 I applied to the LLEBG program for \$9,799.79 in equipment needed in the daily operation of the police department.

In January 2023 I received notice that we were awarded \$9,799.79 from my application. This amount will be used to purchase thirteen ballistic helmets. LLEBG should pay 100% of the cost of this equipment.

RECOMMENDATION:

Allow the Police Department to accept \$9,799.79 in grant funding awarded from the Missouri Department of Public Safety (MoDPS) – Local Law Enforcement Block Grant (LLEBG).

Allow the police department to purchase thirteen ballistic helmets following the City’s procurement policy.

FISCAL IMPACT:

NONE – The Missouri Department of Public Safety (MoDPS) – Local Law Enforcement Block Grant (LLEBG) should fully fund the purchase of this equipment.

Webb City Missouri, 64870

RE: FY 2022 Local Law Enforcement Block Grant (LLEBG)

Dear Mayor Ragsdale:

The Missouri Department of Public Safety is pleased to inform you that your agency has been awarded \$9799.79 for the application submitted for the FY 2022 LLEBG. Please review the budget section of your application for details on which requested items have been awarded.

Please find attached the Subaward Agreement, with Articles of Agreement. Please review and sign the Subaward Agreement and initial each page of the Articles of Agreement. **By signing the Subaward Agreement and initialing each page of the Articles of Agreement** you are certifying your acceptance of the award conditions. When all documents have been executed, mail the original documents to the Missouri Department of Public Safety at the address listed above no later than **February 15, 2023**.

If the Project Director and/or the Authorized Official listed on the award have changed, contact your Grant Specialist listed below, for an updated Subaward Agreement.

An email will be sent with the **mandatory** Compliance Workshop training information. Your award will not be marked "Underway" in the WebGrants System until the Compliance Workshop has been completed.

We look forward to working with you on this award. Should you have any questions or need additional information, do not hesitate to contact Brandy Boessen at (573) 751-5289 or Brandy.Boessen@dps.mo.gov.

Sincerely,

A handwritten signature in blue ink that reads "Michelle Branson".

Council Report

City of Webb City

Communication Vehicle
Equipment Purchase,
January 23rd, 2023

SUBJECT:

To allow Emergency Management to purchase a communication equipment to be installed on new communications vehicle.

BACKGROUND:

In January 2022 we received notification of a 50% grant match from the State through the Emergency Management Performance Grant. This grant was approved to purchase a vehicle and equipment to aid in communications within the City on emergency scenes. The vehicle is currently being built and we are expecting delivery next month. This grant was also for the equipment needed to outfit the vehicle for operations. There is only one vendor in the area that currently is available to install this equipment, their quote is attached as well as a list of the same equipment cost if we were to purchase it seperately on our own.

Bids:

<u>Item</u>	<u>Vendor</u>	<u>Price</u>
Emergency Vehicle Equipment (this includes installation)	NRoute	\$9492.50
Emergency Vehicle Equipment (no installation)	Online (Various)	\$8459.17

RECOMMENDATION:

It is recommended to purchase the equipment form NRoute and have them do the installation. Their price for the equipment alone is \$7357.50 if they install it which is a savings of \$1101.67 from what we can purchase the equipment for and aids in the cost of installation.

FISCAL IMPACT:

This purchase will be made with funds that are in the current budget for Emergency Management, and 50% (\$4.746.08) reimbursed from the State Emergency Management Performance Grant.

Soccer Field Project

1.23.23

The Parks and Recreation department needs to purchase fencing to finish the soccer field. This fencing will be for the Pre-K soccer field.

I received (3) offers:

- (1) 7,455.13 - Sutherlands
- (2) 7,804.40 - Lowe's
- (3) 8,866.79 - Henkle's Ace Hardware

RECOMMENDATION:

Staff recommends that council approves the purchase of the 7,455.13 from Sutherlands.

FISCAL IMPACT:

Funds for this expenditure are included in the 2022 – 2023 budget. Appropriated funds of \$27,000 are included in 04.41.49126, Ball/Soccer Fields, with \$0 spent so far.
