Administrator's Report 10/28/24

The new “W Club” Recreation Facility is moving past the initial structural stage as the red iron is nearly complete.

Leaf pick up starts the Monday following Thanksgiving.

Badges and Burgers supplies have been secured through the generous donation from our city employees who each year sign up to donate the funds used to purchase the hamburgers and cookies.

Milling of 1st street has started this week and hopefully before the Monday meeting the paving will be complete.

The applying of the clay covering in Paradise Lake is complete. We have noticed the level has remained constant for several weeks while we have experienced very dry conditions. Hopefully when the lake does fill back up we will experience less water loss.

The exterior bathroom door at the Farmers Market Kitchen is now equipped with an ADA accessible door opener. Public Works will be making some parking changes in the near future which will improve the access even more. The plan is to make the approach directly in front of the door instead of the side entrance it currently has.

Public Works will be focusing efforts this week to complete the install of the water lines for the new recreation Center and the new Dog Running Park in King Jack Park. In addition to that the plan is to begin **the striping of Oronogo Street** this week and also to install the base for the new lights that will illuminate the Caboose once it has been replaced in the front of the park.

Staff have recently been made aware of some upcoming changes to our current Internet Technology Management contract. We feel this would be a good time to explore any available options and will be giving tours to some local IT providers here in city hall and other departments over the next couple weeks.

City Hall has went to an automated answering machine for incoming calls. Callers can elect to go directly to the water payment options rather than speak to an operator.

Webb City Fire Department issued a Press Release Friday 10/18/24

WEBB CITY- One person died in a house fire last night at 604 South Oronogo Street. There were no other occupants in the residence at the time. The Webb City Fire Department responded at 22:16 to the address and arrived at 22:19 to a one-story single-family residence. Heavy smoke was coming from the house upon arrival. Rescue and Firefighting operations began immediately. Auto-Aid units from Joplin Fire Department and Duenweg Fire Department assisted with the fire and rescue operations. Webb City Police Department and METS Ambulance Service assisted with scene control and medical operations.

*During interior search procedures, fire crews found one adult male unresponsive. He was pronounced deceased on the scene by the Jasper County Coroner's Office. **Wyatt J. Fieker, 50 of Webb City** was identified as the victim. The cause of death is pending the Jasper County Coroner's report after autopsy. It has not been determined whether the property had working smoke alarms at the time of the fire.*

The fire was extinguished as of 22:50. The Webb City Fire Department is investigating the cause and origin of the fire which is believed to be accidental. The Missouri State Fire Marshal Division is assisting in the investigation.

Previous Meetings

The Parks Department has been working on some new attractions for this year's Holiday displays. Our staff has really shown their talent in some of the new light displays. This should be an exciting year!

Webb City made their submission to DNR regarding our requested lead pipe survey. We are now working with DNR to bring that file into a format that will help with identifying all who failed to respond or those who will require mailings in the future. This lead pipe removal program looks to be a project that will be very involved over the past many years.

City staff will be participating in a SS4A webinar next week. This will be the start of the plan to acquire a "Safe Streets For All" action plan that has been already approved for funding through the Federal Highway Association. This study will assist the city in future requests for construction grants through the federal system.

Project Graduation has made the decision to no longer sponsor the Webb City Christmas Parade. All city departments got together this week along with Mayor Ragsdale and the decision was made to have city staff organize and sponsor the 2024 Webb City Christmas Parade. Staff will be placing advertisements and seeking entries along with organizing the new route which we feel will help with the lineup process. It will start at the north end of town and come south. If any council persons would like to volunteer to be a judge please let us know. Floats will be allowed to distribute candy this year but it will be restricted to hand to hand only. No tossing of the candy

will be allowed. Entries will be advised they must have people walking on the outer edge of the roadway to hand out candy if they wish to do so.

Parks Department has had the trolley tracks inspected as part of our annual maintenance plan to stay on top of any future track issues. The Track Company has recommended several repairs that they feel need to be made and the Parks Department had budgeted up to \$15,000 for these repairs. Council will be asked to authorize the repairs at the next meeting.

The annual Webb City Police “Shop With a Cop” will be held at 7am on Saturday December 7th at the Webb City Walmart. Volunteers are always needed and are asked to arrive at 6:45am to be ready to shop with the kids.

The Webb City Downtown Merry Market will be held Saturday November 16th. It will be a Saturday only event and vip passes will be going on sale for \$50 soon.

The alley behind 208 N. Main has been closed to traffic recently due to the failing of the brick wall on the back of the building. Staff are now contemplating how best to handle the failing structure. Notice has been sent and no response has been received to date.

Surplus Vehicle
Update
October 28, 2024

SUBJECT:

Updating the Council on the status of surplus vehicles.

BACKGROUND:

In January 2024, the Council approved the surplus of three vehicles from the police department. We did not receive our new vehicles until March 2024 and we were not able to schedule getting the emergency equipment installed with the equipment installer until May 2024. In May 2024, we had a vehicle totalled in a crash so we decided to retain one of the surplus vehicles. We issued the first of the three new vehicles in July 2024 and we just recently issued the third and final new vehicle in September 2024.

We have a vehicle that was surplus in 2022-23 that we have not sold yet. We will include this vehicle in this sale of surplus vehicles.

We are able to use the trade value as a reserve value for the surplus vehicles and have put them out for sealed bids in the past. This year we decided to advertise the surplus vehicles on govdeals.com, a nationwide surplus vehicle and equipment website. We decided to wait until after November 1st to advertise the surplus vehicles for sale since that is when most municipalities start their new fiscal year and would have more funds to spend.

RECOMMENDATION:

We are just updating the Council on the status of surplus vehicles. We still plan on surplus three additional vehicles if we are approved to purchase three new vehicles in our 2024-25 fiscal year.

FISCAL IMPACT:

The current trade value for the three surplus vehicles is as follows:

\$4,500 - 2013 PI Utility - VIN: B29767

\$5,000 - 2015 PI Sedan - VIN: 143984

\$3,000 - 2015 PI Sedan - VIN: 145935

We hope to get more for each vehicle since all three vehicles still have most of the emergency equipment left on them.
