**COMMITTEE REPORT**

- 1. Financial Oversight
  - A. Statement of Accounts, February 10, 2025 Action & Authorization
- 2. Committee of the Whole
  - Next Council Meeting February 24, 2025

**ADJOURN**

**Administrator's Report 02/10/2025**

**Parks Department** reports the deadline for spring soccer registration is February 10<sup>th</sup>. Games will begin in March. Park staff are finishing the last of **taking down the Christmas lights**, preparing mowers for the warm season. As you can see they are also busy during the bad weather days making **some attractions for the new dog park** in King Jack Park.

**Waste Water crews have started moving equipment on site to begin replacing 5 “flush bell” manholes.** These are roughly 70 years old and cannot be part of the recent council approved lining project due to their design. The first one is located just west of Madison on Broadway.

**Public Works staff have been working on replacing outdated street sign along with using the new “Rock Asphalt” product to fill in potholes** as the winter weather has done some damage on our streets.

**Recently there has been an increase in off road parking on the west side of Powell Drive from Broadway to MO171 hwy.** Cars have been pulling down into the ditch up to the property owners fence. After witnessing this myself and receiving complaints from others I authorized Public Works to place no parking signs off the roadway on the west side of Powell Drive. One resident has contacted city hall and complained about the signs. I attempted to see if a compromise could be reached that would allow parallel parking in certain areas of Powell Drive but that was not acceptable. The caller wishes to be able to pull completely off the roadway down into the ditch along Powell Drive. I have instructed the Police Department to not issue citations until the issue could be brought to council which the caller advised he was to do at the next meeting.

**The water leak detection company** has been working throughout the city. Their staff utilize scooters to move about and we hope to receive results very soon.

**Other items of interest with the Public Works staff** is they have replaced the guard rail on Prairie Flower south of 171, repaired a large water leak on Arch Street and have started work on the surface for the new parking lot at the “W Center”. All this being done while continuing to work on keeping our snow removal equipment ready as weather is expected to come in next week.

### **Previous Meetings**

**State of the City to be presented by Mayor Ragsdale** and staff at Granny Shaffer’s at noon on Thursday January 30<sup>th</sup>. Please let Kim know if you can attend and we will be sure and make reservations.

**Monthly meeting with Farmers Market Staff** was held last week. Just a few small issues discussed but the tarp walls are going up on the new pavilion and this will greatly increase their space during the cold weather.

**Met with the contractor who will be installing the new digital sign in front of the Senior Center.** The city and the Senior Center group split the cost of this sign and once complete the city will have access to place any public service and or emergency announcements if needed.

**The new “W” Center is moving along nicely.** The rough in inspection for sewer and electric was completed this week and it is anticipated that drywall will start very soon. Public Works staff have been busy completing the water line and service lines to the new facility.

**Fire Department reports a successful start to their new Fire Training Academy.** Other local communities are asking to be a part of it in the future. The new radio install is complete and the department reports that at the recent house fire here in Webb City there were mutual aid responding agencies and the new system worked very well. All agencies were able to communicate on the same channel.

The extreme cold temperatures tend to cause strain on our water mains and this week was no different. **Water crews wasted no time in the freezing temperatures to repair this water main** near King Jack Park. Their dedication and hard work does not go unnoticed.

**The new “No Commercial” rules went into effect last week at our limb yard.** We have had several calls and so far after explaining our situation most have been understanding. We are aggressively seeking alternate solutions as we know this was a real benefit to many.

**Waste Water has received the draft of our new Waste Water Permit from DNR.** We have been in process regarding this for a couple years and had feared some drastic changes. Staff were pleasantly surprised to see only a couple minor changes and our wetlands are still safe for at minimum the next 3-5 years.

Carl Francis  
City Administrator

**2025 Upcoming dates to remember;**

**Recycle and limb yard gate is now open 7 days a week until 6pm.**  
**Residential only may dump at limb yard**

**February**

**March**

ORDINANCE NO. \_\_\_\_\_

**AN ORDINANCE amending Chapter 340 – Miscellaneous Driving Rules, by enacting Section 340.235 – Corner cutting.**

BE IT ORDAINED BY THE COUNCIL OF THE CITY OF WEBB CITY, MISSOURI, as follows:

WHEREAS, the City of Webb City, Missouri (the “City”) is a third class city and political subdivision of the State of Missouri, organized and validly existing under and by virtue of the Constitution and laws of the State of Missouri; and

WHEREAS, the City desires to amend Chapter 340 of the City Code to enact regulations to prohibit corner cutting.

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF WEBB CITY, MISSOURI AS FOLLOWS:

SECTION 1: The City Council of Webb City, Missouri hereby amends Chapter 340 – Miscellaneous Driving Rules, by enacting Section 340.235 – Corner cutting, which shall hereafter read as follows:

**Section 340.235 – Corner cutting.**

It shall be unlawful for any person to drive any motor vehicle upon or across any sidewalk, driveway, filling station, gas station, convenience store or other commercial driveway or other similar surface located at the corner of any intersection protected by a traffic light or other traffic signal or sign, for the purpose of evading the regulations governing the turning of motor vehicles at intersections.

SECTION 2: This Ordinance shall be in full force and effect from and after its passage and approval.

PASSED AND APPROVED BY THE COUNCIL OF THE CITY OF WEBB CITY, MISSOURI, this \_\_\_\_ day of \_\_\_\_\_, 2025.

# Council Report

City of Webb City

Purchase In-Car  
Video Cameras  
Police Department  
February 10, 2025

## SUBJECT:

Allow the police department to purchase three in-car camera systems using Missouri Department of Transportation (MoDOT) grant funds.

## BACKGROUND:

In February 2024, I applied for grant funding through MoDOT to purchase three in-car camera systems at an estimated cost of \$14,397.00.

In September 2024, I received notification that we had been awarded \$14,397.00 from MoDOT to purchase three in-car camera systems. I sought quotes from our current body camera vendor, Digital Ally. Digital Ally's quote for an in-car camera system came in at \$5,105.45 per system. The total cost for three in-car camera systems will be \$15,316.35.

## RECOMMENDATION:

Allow the police department to purchase three in-car camera systems from Digital Ally using Missouri Department of Transportation (MoDOT) grant funds. We chose Digital Ally because we have outfitted our Patrol Officers with Digital Ally body cameras and already have the Digital Ally software. We already have Digital Ally in-car camera systems in most of our police patrol vehicles. Digital Ally is a sole source vendor.

## FISCAL IMPACT:

**\$919.35:** The MoDOT grant of \$14,397.00 will cover most of expenses for this purchase. We will use budgeted funds from line item #46105 - Grant Matching Expenditures to cover the remaining \$919.35.

Digital Ally has gone away from local server based storage, moving to cloud based storage with a \$490.20 per unit annual cost beginning next year.

Purchase Radar  
Units MoDOT  
Matching Grant  
February 10, 2025

## SUBJECT:

Allow the police department to purchase four dual antenna radar units for use at the police department.

## BACKGROUND:

In February 2024, I applied for grant funding through MoDOT to purchase four dual antenna radar units at an estimated cost of \$7,040.00.

I received notification that we had been awarded \$7,040.00 from MoDOT to purchase four dual antenna radar units. I sought pricing from NRoute Emergency Vehicle Outfitters, a state contracted vendor.

Here is the pricing that NRoute has available on state contract pricing:

<u>Radar Unit</u>	<u>Price Each</u>	<u>Total Price</u>
Stalker Patrol K-Band dual antenna	\$1,882.00	\$ 7,528.00
Stalker Dual SL Ka-Band dual antenna	\$2,451.00	\$ 9,804.00
Stalker DSR Ka-Band dual antenna	\$3,251.00	\$13,004.00
Stalker 2X Ka-Band dual antenna	\$3,522.00	\$14,088.00

## RECOMMENDATION:

Allow the police department to purchase four Stalker Patrol K-Band dual antenna radar units from NRoute using Missouri Department of Transportation (MoDOT) grant funds.

## FISCAL IMPACT:

**\$488.00:** The MoDOT grant of \$7,040.00 will cover most of expenses for this purchase. We will use budgeted funds from line item #46105 - Grant Matching Expenditures to cover the remaining \$488.00.

Purchase  
Computer Tablets  
Police Department  
February 10, 2025

## SUBJECT:

Allow the police department to purchase six computer tablets using Missouri Department of Transportation (MoDOT) grant funds.

## BACKGROUND:

In February 2024, I applied for grant funding through MoDOT to purchase six computer tablets at an estimated cost of \$8,100.00.

In September 2024, I received notification that we had been awarded \$8,100.00 from MoDOT to purchase six computer tablets. I sought pricing from Stronghold Data, our new IT contractor. All three options come with Windows 11 operating system. The Dell Latitude tablet has a three-year warranty and a more reliable processor. The MicroSoft tablets only have a one-year warranty. Stronghold Data will not charge us to set up the software and applications on these tablets if we purchase them from Stronghold Data.

Here is the pricing that Stronghold Data provided:

Dell Latitude 7350	\$1,796.89 each	\$10,781.34 total
MicroSoft Surface Pro 10	\$1,599.99 each	\$9,599.94 total
MicroSoft Surface Pro 11	\$1,549.99 each	\$9,299.94 total

## RECOMMENDATION:

Allow the police department to purchase six computer tablets from Stronghold Data using Missouri Department of Transportation (MoDOT) grant funds. We chose the Dell Latitude tablets because they have a better processor and have a longer warranty than the MicroSoft Surface Pro tablets.

## FISCAL IMPACT:

**\$2,681.34:** The MoDOT grant of \$8,100.00 will cover most of expenses for this purchase. We will use budgeted funds from line item #46105 - Grant Matching Expenditures to cover the remaining \$2,681.34.

**RE: Well 15 Generator (Revised)**

Dear Dennis,

We are pleased to quote the electrical on the above-mentioned project per discussions and site visit. Any changes deemed necessary by the authority having jurisdiction may constitute cost increases and/or decreases. We have seen (0) addenda.

Our base quote for **Well 15 with a 175kw Cummins Generator** is **\$92,830.00 (Ninety-Two Thousand Eight Hundred Thirty dollars and 00/100)** with notes as follows.

1. \$61,659.00 is the net price of the generator and transfer switch if a Sourcewell Contract is used. This cost is included in our base quote.
2. Deduct \$1,000.00 if others unload and set the generator.
3. Gas plumbing, connections, and regulator are excluded.
4. The concrete pad is excluded.
5. The generator has a 23-week lead time.
6. ATS has an 11-week lead time.
7. Sales tax is excluded.
8. Trenching and backfill are excluded.

**Inclusions:**

1. Generator start-up, testing, and owner training is included.
2. 2-year manufacture warranty is included for both Cat and Cummins
3. Prevailing wage rates are included.

**Exclusions:**

1. Sales Tax is excluded.
2. Trenching and backfill is excluded.
3. Propane plumbing installation is excluded.
4. All concrete work such as pads, pole bases, duct banks, cutting and patching, etc. is excluded.
5. Large Rock removal is excluded.
6. Costs that may be incurred by the Utility Co. are excluded.

This quotation is valid *for 30 days* or as specifications state at time of bid.

If we can be of any further assistance, please do not hesitate in contacting us.
