

Waste Water crews are busy finishing the rebuild of the Walnut Ridge Lift Station. This station seems to be one that has seen the most abuse from the allegedly disposable wipes. We have tried to get the word out that these wipes could someday cause a sanitary sewer back up that we are trying to avoid.

2022 was not a good year regarding our Workers Compensation modification rating. City staff have met with our insurance carrier and it is anticipated we could see a 20% plus increase in our WC rates this year. Risk specialists from our carrier will be meeting in coming weeks with members of the City Employee Safety Committee to discuss any needs or policy changes needed that could help reduce employee related injuries.

Staff have placed the 3% increase in retail sales tax for marijuana ballot question on the upcoming council agenda. This would only apply to recreational sales of the product should a dispensary be built within the city and only after a majority of voters approve it in the April Ballot. Has no effect if the Council should decide to put the ban on the 2024 Presidential election as the amendment requires.

The idea of placing a **sunshade of some type over the Amphitheater** is still being discussed. We have some ideas that would include a vinyl material covering that would be retractable when not in use. This would significantly extend the life of the material. We hope to have something to present to council in the next month for their consideration.

Staff were notified that **MODOT has approved our application for sidewalk improvements along the east side of East Street from MO171 to Daugherty** and some along Daugherty.

Our engineer reports that **geotechnical field work was completed on 11/1/2022 in reference to the proposed storm water retention project** along Mo 171 at Powell Drive. Lab testing begins 11/2/2022. Rain delayed start of Geotech field work, but will not impact overall project schedule. Survey set to begin in mid-November. **(update, field work complete and design work begins Jan 9th)**

City staff have been busy working on a new web site. The current site has had some issues and made it very difficult to make changes. We are wanting to incorporate some additional features such as online bill pay and permit applications. It will still be located at the same domain of www.webbcitymo.org and we hope to announce the unveiling very soon.

ARPA Grant
Equipment Purchase
Police Department
March 27, 2023

SUBJECT:

The police department is asking the Council to accept \$19,999.98 in grant funding awarded from the American Rescue Plan Act (ARPA) State and Local Fiscal Recovery Funds (SLFRF) Peace Officers Grant (POG) funding opportunity. This is a 50% match grant so the police department will need to match the \$19,999.98 award.

The police department is asking the Council to allow the police department to purchase the awarded equipment by following the City's procurement policy.

BACKGROUND:

In November 2022 I applied to the American Rescue Plan Act program for \$39,999.96 in equipment needed in the daily operation of the police department. This is a 50% match grant so the actual award is \$19,999.98 and the police department must match the award with \$19,999.98 in city funds.

In March 2023 I received notice that we were awarded \$19,999.98 from my application. This amount will be used to purchase 24 SUV storage cabinets and 30 tire deflation devices.

RECOMMENDATION:

Allow the Police Department to accept \$19,999.98 in grant funding awarded from the American Rescue Plan Act (ARPA) State and Local Fiscal Recovery Funds (SLFRF) Peace Officers Grant (POG) funding opportunity. Allocate \$19,999.98 in budgeted funds to match the grant award.

Allow the police department to purchase 24 SUV storage cabinets and 30 tire deflation devices following the City's procurement policy.

FISCAL IMPACT:

\$19,999.98 – The American Rescue Plan Act (ARPA) State and Local Fiscal Recovery Funds (SLFRF) Peace Officers Grant (POG) funding opportunity only funds half of the cost of the purchase of this equipment. The grant was awarded after the 2022-2023 budget had been approved so the city's 50% match, \$19,999.98, will be an additional expense to account 00.21.46105, Matching grant funds.
