ADJOURN

Administrator's Report 04/28/2025

City Wide Garage Sale this weekend. City Wide Cleanup May 5-9th

It was a very busy weekend with all the storms and heavy rain that traveled through our area. Our Police Chief was notifying all of our emergency shelter partners early in the day, on Sunday, of approaching storms and at a little before 2pm the shelter doors were opened. Not long after the sirens were activated as reports of possible tornado near the state line was headed in our direction. Shelter staff reported well over 1,000 residents took shelter in the Emergency Management provided shelters. Highest report was 400 at Truman School and 380 at the High School Dome.

New phone notification system in our Utility Billing software was operational for the first time this week and it has proven to be a big success. We started with over 400 notifications sent to late payment customers, then as shutoff approaches it will call those still late again which are the calls that had been done every month by our water clerks. This month we ended with only 74 shut offs and down to 20 as of Thursday. We believe that is a record low. The service is provided by our current water software vendor for .10 cents a call.

Fire Department reports that the new Fire Academy is in their 6th week and moving along very well. The class has a great group of students who all recently were able to pass their Hazmat Portion of training. Bunker gear recently approved by council has been ordered and once it arrives all department members will be up to NFPA Standards. Members continue to work on the new training facility located next to the Fire Department.

Parks Department reports that Little League Baseball opening day was postponed to Wednesday due to the storms and the condition of the fields. Our park staff are very busy on mowers now but it was a priority to have the fields ready in time to start the season on Wednesday. They also report that time was spent working with electric vendor who supplied a lift high enough to replace some bad ballasts and bulbs but believe all field lights are operational at this time. We will need to explore in the future switching the fields to LED lighting but for now we have an available supply of parts but it will be an issue someday.

Waste water crews were notified during the storm of a couple locations experiencing high water. One of them was the Aylor lift station which crews responded to and were able to clear the issue. We did activate the auxiliary pump installed a couple years ago and it certainly looks to be a help to flood prone areas from the past. Basically it pulls water from the system faster than the past and puts it in the lagoon to be treated after the rain event.

Waste Water has received the final approved operations permit from DNR for the treatment plant. This, we believe was drafted in favor of several options that are important to the city. This permit still allows the affluent to continue flowing through the wetland and lagoons but will no longer be monitored and reported on the analysis reports. We will however continue to monitor for our own information to see if the zinc amounts begin to lower as the vegetation gets more established.

The Roof replacement recently approved by council at the Farmers Market is complete. In our monthly meeting with the Market staff they were quick to say thank you because they had heavy rain during the market on Saturday.

Previous Meetings

Staff participated in a renewal meeting with our Third Party Advisor regarding our Health Insurance yearly renewal. The numbers looked good for last year and there is no expected rate increase for the next year. We continue to work with the Tri-State Health Care coalition which we are a member to finalize the pricing structure with Mercy Hospital's. They have proposed a couple changes in our contract that we are working with our TPA, Benefit Management, to determine what if any impact this may have.

Staff met with our workers comp and it looks like after a couple good years we will be seeing a \$100,000 reduction this year in our cost. We continue to focus on safe work practices and our Safety Committee is continuing to meet regularly to discuss improvements as we find them in all departments.

May be too early to make any real determinations, but we only received 3 and a half inches of rain last week and the lakes in King Jack Park are filling up nicely. **Currently the level is about a foot and a half from the spillway which is the highest it has been in many years.**

The Water Department continues to report our run time on our wells to have been significantly reduced following the last round of leak detections and repairs. We will continue to monitor and hope to see good improvements in our water loss numbers.

The Fire Department reports that crews have started annual business inspections and testing of fire hydrants throughout the city.

Jasper County Emergency Services has made a patch on the radio system where we now can hear and speak with the WC Police Department. Joplin Fire channels have now been added to our new radios, and we have had great success with the radios on mutual and auto aid fires.

Public Works crews have been working on completing the new water main to service the east side of East Street south of Daugherty and also have installed water access at the new "W Club Recreation Facility".

Water Crews have been busy throughout the city lately. They have completed 22 angle valve replacements that were needed and completed 48 meter replacements that were found to be defective.

Parks Department reports **that soccer season is in full swing** and they have spent time preparing the fields for play. They have also opened the Splash Pad and the adjacent restrooms for the summer.

The new **Dog Park is partially open now** and crews have been busy placing new amenity structures within it and also building the new parking lot adjacent to the facility. If one drives by you can see that the facility is already being welcomed by many.

Community Coordinator has been busy putting together a **new downtown map** to be used for all upcoming events such as the Car Shows, parades and the upcoming **Spring Shop Hop to be held April 5th downtown.**

Recently there has been an increase in off road parking on the west side of Powell Drive from Broadway to MO171 hwy. Cars have been pulling down into the ditch up to the property owners fence.

As spring gets closer we will be gathering locations for the **FY 2025 Paving Overlay** project. Please forward any locations you might wish to have evaluated by staff for possible paving this summer. We will be paving early we hope as soon as we can get the new W Center Recreation Facility parking lot prepped.

Waste Water crews have started moving equipment on site to begin replacing 5 “flush bell” manholes. These are roughly 70 years old and cannot be part of the recent council approved lining project due to their design. The first one is located just west of Madison on Broadway.

Carl Francis
City Administrator

2025 Upcoming dates to remember;

Recycle and limb yard gate is now open 7 days a week until 6pm.
Residential only may dump at limb yard

May

2 , 3, & 4 - Citywide Garage Sales

4, 5, 6, 11, 12, 13, 18, 19 & 20 - Polar Bear Express

19 - Employee Appreciation Dinner

CITY OF WEBB CITY, MISSOURI
COUNCIL MEETING MINUTES
REGULAR SESSION
Monday, April 14, 2025
Page 1

INVOCATION	Mayor Ragsdale gave the invocation.
PLEDGE TO FLAG	The Council remained standing for the Pledge of Allegiance.
COUNCIL MEETING	The City Council of Webb City, Missouri met in regular session Monday, April 14, 2025, at 5:30 p.m. in Council Chambers. Mayor Lynn Ragsdale presided.
ROLL CALL	<p>The following members answered roll call: Andy Queen, Gina Monson, Brad Baker, Debbie Darby, Ray Edwards, Alisa Barroeta, and Jerry Fisher. Absent: Jim Dawson. There being seven members present and seven members representing a quorum. Mayor Lynn Ragsdale declared this session of council officially opened. Also present were City Administrator Carl Francis, City Attorney Troy Salchow, City Clerk Kimberley DeMoss, Fire Chief Andy Roughton, Police Chief Don Melton, Sewer Utility Director William Runkle, Street & Water Director Eddie Kreighbaum, Economic Development Coordinator Erin Turner and Parks Director Bryan Waggoner. Absent: Finance Director Tracy Craig.</p>
MAYOR STATEMENT	None
VISITORS	<p>Brian Gunnels sells fireworks at the old Atwood's location on Madison Street and asked the council if the time of selling fireworks could be extended to June 20th through July 10th each year instead of July 1st through July 4th so as customers outside the city limits could still shoot fireworks. Council members shared their concern about complaints they've received about fireworks being used after the allotted time now.</p> <p>Mayor Ragsdale said the staff may consider extending the fireworks sales period, but will not entertain extension of the shooting period.</p>
PROCLAMATION	<p>Mr. Kavan Stull gave a preview of the historical presentation to the council while in period dress to invite and observe the American Patriots Day on Saturday, April 19 at King Jack Park by the Georgia City Bridge.</p> <p>Mayor Ragsdale presented a proclamation to Mr. Stull, as the Sons of the American Revolution are celebrating the 250th anniversary of the founding of America.</p>
ADMINISTRATOR	<p>Administrators Report for April 14, 2025, was available for the Council to review. Mr. Francis also stated that the Joplin Trails Coalition did not receive the grant but have enough funds for Phase II and will start working soon.</p>

COUNCIL BILL NO. 25-008

ORDINANCE NO. _____

AN ORDINANCE AMENDING SECTION 205.200 OF THE WEBB CITY CODE REGARDING SALE OF FIREWORKS.

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF WEBB CITY, MISSOURI, AS FOLLOWS:

SECTION 1. That Section 205.200 of the Webb City Code is hereby amended to read as follows:

Permissible items of consumer fireworks defined in Section 320.131 RSMo., may be sold at retail by holders of a seasonal retail permit during the selling periods of 9:00 A.M. through 11:00 P.M. the 27th day of June through Midnight of July 4th.

SECTION 2. This ordinance shall be in full force and effect from and after its date of passage.

PASSED BY THE COUNCIL OF THE CITY OF WEBB CITY, MISSOURI, this
_____ day of _____, 2025.

Lynn Ragsdale, Mayor and Presiding Officer

Attest:

Kimberley E. DeMoss, City Clerk

RESOLUTION NO. 25-1001

A RESOLUTION OF COMMITMENT AND DEDICATION TO EFFECTIVE LAW ENFORCEMENT AND COMMUNITY SAFETY FOR THE CITY OF WEBB CITY, MISSOURI.

WHEREAS, the City of Webb City recognizes and acknowledges the critical importance of effective law enforcement and public safety for the well-being and prosperity of its citizens; and

WHEREAS, the City Council of Webb City is dedicated to fostering a safe and secure environment for all residents, visitors, and businesses in Webb City; and

WHEREAS, the reduction of violent crime is a priority for the Webb City and requires a collaborative and strategic approach, including prevention, intervention, and enforcement efforts;

NOW THEREFORE BE IT RESOLVED BY THE CITY COUNCIL of the City of Webb City that the City of Webb City, Missouri hereby commits to the following principles:

1. **Demonstrating a Strong Commitment to Public Safety:** The City Council will prioritize public safety and work closely with local law enforcement agencies, community organizations, and other stakeholders to address crime and its root causes.
2. **Taking Proactive Steps to Reduce Violent Crime:** Through evidence-based policies, resource allocation, and effective law enforcement strategies, the City Council will pursue all reasonable means to reduce violent crime and enhance community safety.
3. **Establishing Accountability and Transparency:** The City Council will regularly assess the effectiveness of its public safety efforts and will provide regular updates to the public on progress made in reducing violent crime.
4. **Promoting Community Partnerships:** The City Council will support initiatives that foster trust and cooperation between law enforcement and the community, aiming to build safer communities through collaboration and shared responsibility.

APPROVED AND PASSED this _____ day of _____, 2025.

**Surplus Sale of
salvage Public
works trucks
04/28/25**

SUBJECT:

Public Works advertised the sale of two surplus dump trucks. Only one bid was received from Nelson Enterprises and Public Works feels confident that the amount offered exceeds the amount estimated if sold through the upcoming salvage property sale. Advertisement attached.

BACKGROUND:

2002 GMC Dump Trk-\$2500.00
1998 Ford Dump Trk-\$1500.00
Bid from Nelson Enterprises

RECOMMENDATION:

Staff recommends that the Trucks be sold to Nelson Enterprises for the bid amount totalling \$4,000

FISCAL IMPACT:

Sale will create \$4,000 of revenue.

Street Department
Paving W Club and Soccer
Parking Lots

April 28, 2025

Description

For construction of the Soccer Fields and The W Club.

Narrative

The following is the bid received:

Blevins \$246,273.00

No other bids were sought.

Staff Recommendation

Staff recommends we accept the bid from Blevins in the amount of \$246,273.00

Fiscal Impact:

The 2024 – 2025 fiscal year budget includes \$246,273 for parking lot paving (01.31.49133). The W Club is estimated at \$140,000 with the remainder for the soccer field parking lot.
